Dear Sanjay:

I am writing this letter to thank Lucas Drywall for the outstanding performance they provided us on the Wal-Mart project in Roanoke, VA. Your team's attention to detail, flexible manpower schedules and proactive on-site management helped make this project a success for us.

I truly appreciated the can-do attitudes and solution minded approach to any issues that we did encounter. We look forward to working with your firm in the future.

Thanks again for a job well done!

Sincerely,

Jon C. Hancher
